Greetings All,

Isaiah 43:19

***¹⁹ See, I am doing a new thing!
Now it springs up; do you not perceive it?
I am making a way in the wilderness
and streams in the wasteland.***

Spring has finally progressed, and Summer is on its way. The snow is gone, and green and dust are plentiful, but also are the trees breaking out in the most beautiful blooms.

All around us things are changing, and becoming more beautiful by the day. My little balcony garden shows plenty of growth, and gladdens my heart.

Things are changing here at Memorial as well. I will be retiring in August, and a search for a new minister is well on the go. There will be a new person behind the pulpit with his/her own style, and thoughts and opinions and talents, but what does not change is that ministers are all well grounded in their faith, and knowledge of the scriptures.

This is an exciting time, a time for new growth, as new ideas will very likely be put forward. So yes, God is doing a new thing at Memorial, even though we don't clearly see it yet, we can be assured that He will lead this congregation forward.

As I prepare to leave the pulpit, I know that God will also do a new thing in my life, as I once again, attempt to retire. I don't know exactly what that will look like, but I am confident that as He led me out of retirement twice, He will lead me through this next step.

A "new thing" can at times be filled with plenty of questions, but rest assured that when God moves, He is leading us all to where we need to be.

Blessings to you all,

Rev. Lyn

THE LOVE OF A FATHER

*for his children
is more than provision
and protection,
leadership and guidance—*

*it's a part of who we are,
what we become,
and the way we serve the Lord
with our lives.*

*It is a strong and binding cord
that runs through the fabric of
our character...*

*a rock we can stand on
for courage and support...
and a foundation that lies
securely beneath us.*

Father's
& Grandfather's for

May your special day
be filled with love
and blessings**

A Journey of Healing in Haiti

For almost a decade, Haiti has experienced an ever-deepening food security crisis, driven by violence related to armed conflict, political upheaval, and economic and climate crises. Over one million children are food insecure. When Doriana's mother brought her to the hospital, she was already dangerously malnourished. After several rounds of treatment, Doriana is now fully recovered. Read more about how PWS&D is responding to childhood malnutrition in Haiti.

A big huge thank you to **Lorna Thomas & Lynn Bergen**

For always making the Community Suppers a whole lot of fun. Your extreme dedication and hard work is so very much appreciated.

God bless you both
